“A Culture of Transformation”

Eph. 4:7-16

Sunday August 3, 2008

the crossings

A community of faith and friends in pursuit of Jesus.

www.thecrossings.cc

God gave a vision for creating a culture that:

1. feasts on the Bible
2. thrives on relationships
3. stewards and serves Christ's story
4. results in organic growth

This was how the church was created to function. (Acts 2:42-47)

God's plan is for His people is to become mature Christ-like leaders. (4:13)

- "unity of the faith and of the knowledge of the Son of God"
- "mature manhood"
- "to the measure of the stature of the fullness of Christ"

The problem is sin. (4:14)

- We are all being tossed to and fro by the waves of the world.
- Our spirit is quenched by those around us.
- Satan is real, alive, and active in our world.

God's solution is for us to grow in Him. (4:15-16)

- We are to grow in Him as individuals.
- We are to grow in Him through community.
- We are to grow in Him through serving.

God desires for His church to grow deeper and wider.

How does this translate into life @ The Crossings?

1. We are a culture that feasts on the Bible.
2. We are a culture that thrives on relationships.
3. We are a culture that stewards and serves Christ's story.
4. We are a culture that will result in organic growth.

We are a community of faith and friends **in pursuit** of Jesus.

Will you be a part of God's movement?
