

Do you have a faith in motion?

Or, do you live life as if you have arrived spiritually?

Without unity of direction and pursuit we become paralyzed.

The metaphor of “walking” is important.

- Direction
- Motion
- Process

Are you walking in a manner worthy and in balance with your call?

We are to walk in pursuit of Jesus!

Every pursuit has a path and every path has boundaries.

Without boundaries or direction we have no clarity and without clarity we cannot have unity.

We have seven boundaries for our pursuit:

One Body -

One Spirit -

One Hope -

One Lord -

One Faith -

One Baptism -

One God & Father -

Aside from our 7 boundaries, verse two gives the pavement for our pursuit.
