How do you compartmentalize your life?

The Bible talks about 4 types of people:

- Unrighteous Rich
- Righteous Rich
- Unrighteous Poor
- Righteous Poor

How do you compartmentalize Christ in your life?

The problems for Nehemiah went from external to internal.

- selfishness
- consumerism
- pride (not submitting in all areas of their lives)

Leadership by lifestyle - The name and reputation of Jesus is at stake through the way we handle our finances just as much as in the way we handle everything else.

So, progress came to a halt because of these internal problems.

(9) Walk in fear of God!

The Bible talks about money more than 800 times.

Compartmentalizing is walking in fear of something other than God.

“For where your treasure is, there your heart will be also” Mt. 6:21

What are you walking in fear of?

Heart - Center of a person's inner being; center of a person's commitment; the most honest assessment of who we are.

How do you need to fully submit to Christ in your finances?
