What is your God story? Why does God have you here today?

*The city was wide and large, but the people within it were few, and no houses had been rebuilt. (7:4)*

How might God use your story in the lives of those who live life around you?

Was rebuilding the wall the goal of this God sized vision?

Are numbers important to God? Are names important to God?

A number = a story of God working in someone's life.

A name = a story of God working in someone's life.

Were the stories of what God did in the lives of the builders the only fruit God desired for this great work?

*The hour is coming, and is now here, when the true worshipers will worship the Father in spirit and truth, for the Father is seeking such people to worship him. John 4:23*

How and why does chapter seven of Nehemiah answer some of these questions?

God wants to use you to build his kingdom... to impact the stories of those around you... are you willing to be used by Him?
