### SMALL GROUP DISCUSSION

1. What thoughts did God bring to your mind through our discussion of Jonah chapter 3?
2. When you hear the word “revival” what do you think of?
3. Why is it that we as Christ followers are often in need of spiritual revival? What types of things revive you spiritually?
4. On a scale from 1 to 10 with one being a fully attentive listener and 10 an absent-minded “hearer”, what would your rating be? *(Facilitators, if you have couples in your group, then have one spouse rate the other and tell why they gave the rating.)*
5. Do you find that you have the same rating (from 1 to 10) while you are reading scripture or praying and trying to listen to God? In other words, a 10 would be reading the Bible just to read or praying just to pray and thinking about something entirely different, etc...
6. Are there things that make you uncomfortable about living the “revived” life - a faithful life, listening, repenting, and submitting to the Father? What holds you back?

*Facilitators, it might be helpful to begin with reading the entire chapter aloud allowing it to trigger people’s memory. Also, maybe they remember something else they want to offer that is not part of the discussion questions.*

**Reminder:** March 20<sup>th</sup> from 6-10pm @ Alamo Drafthouse Cinema for March Madness - please invite friends, family, and co-workers!
