**5 Functions Of A Church:**

What does the church mean to you?

1. A church is Bible proclaiming. (Head & Heart) (2:2-4)

What is your purpose in the church?

2. A church creates and nurtures community. (2:9; 3:15)

Do you feel that you are pursuing your God given purpose inside His church?

3. A church is a gospel-protecting community. (2:13; 2:22)

What does the word “church” really mean?

**CHURCH** = a gathering of people who have committed their lives to Christ by His grace alone, through faith alone, and for His glory alone.

4. A church is a growing community. (3:2; 3:15)

**CHURCH** = form and function

5. A church is a God-glorifying community. (3:8)

**A church is equally described by what it is as it must be by how it functions.**
